Question: 22

You are a Customer Data Platform Specialist. Your company operates mainly in the business-to-business (B2B) space.

The chief marketing officer (CMO) asks you to implement audience insights and ensure that it can handle the company's B2B scenarios and data.

Which statement is correct when considering audience insights for business accounts versus individual consumers?

- A. The out-of-the-box product recommendation prediction model is available for business accounts.
- B. Data ingestion features are different for business accounts and individual customers.
- C. Some enrichment types are available only for individual customer scenarios, while others are exclusively available for business accounts.
- D. Business accounts and individual consumers share the same audience insights environment.

Answer: C

Explanation:

Reference: <https://docs.microsoft.com/en-us/dynamics365/customer-insights/audience-insights/work-with-business-accounts>

Question: 23

You are a Customer Data Platform Specialist. Your company's chief marketing officer (CMO) learns about Dynamics 365 Customer Insights engagement insights capability. Your CMO wants to understand how engagement insights can be used to enhance audience insights.

Which two statements describe the benefits of engagement insights? Each correct answer presents part of the solution.

NOTE: Each correct selection is worth one point.

- A. It allows you to collect, measure, and understand customer behavior on your website.

- B. It allows you to create new customer profiles within engagement insights that can be exported to audience insights.
- C. It allows you to send new customer leads directly to a marketing automation platform.
- D. It allows you to link audience insights and engagement insights environments to enable bidirectional data flow.

Answer: A,D

Explanation:

Reference: <https://docs.microsoft.com/en-us/dynamics365/customer-insights/engagement-insights/overview>

Question: 24

DRAG DROP

You are a Customer Data Platform Specialist. The chief marketing officer (CMO) asked you to look at different use cases as you are implementing the Customer Insights platform.

Which use case is applicable to either audience insights or engagement insights? To answer, drag the appropriate capability to the correct use case. Each capability may be used once, more than once, or not at all. You may need to drag the split bar between panes or scroll to view content. NOTE: Each correct selection is worth one point.

Audience Insights

Engagement Insights

Answer Area

A unified profile needs to be created from CRM customer data and sales data from the e-commerce solution.

The marketing manager wants to create segments based on suggested brand affinities from people in a similar demographic.

Customer Service needs to be able to see deep profile insights within the Dynamics 365 Customer Service application.

The company wants to collect, measure, and understand customer behavior on their website to optimize the website journey.

The sales manager wants to identify paths that customers navigate on the website before they make a purchase.

Answer: A,D

Explanation:

Question: 27

You are a Customer Data Platform Specialist. You completed all the steps in the match phase of the data unification process in the audience insights. You need to review and validate your match results.

Which three metrics are available for you to validate the results? Each correct answer presents a complete solution. NOTE: Each correct selection is worth one point.

- A. Unique matched records
- B. Matched records only
- C. Matched and non-matched records
- D. Unique source records
- E. All source records

Answer: A,B,C,D

Explanation:

Reference: <https://docs.microsoft.com/en-us/dynamics365/customer-insights/audience-insights/match-entities>

Question: 28

You are a Customer Data Platform Specialist. You are in the process of implementing audience insights at a bank.

You finished setting up the different initial data sources. You are starting the unification process.

Which three tasks do you need to perform in the Mapping phase of the unification process? Each correct answer presents part of the solution. NOTE: Each correct selection is worth one point.

- A. Identify the primary keys and semantic field types within the different entities.
- B. Identify the entities that you need to unify into a single profile.
- C. Identify the prioritization of similar fields between different entities.
- D. Select the fields you want to include the unified customer profile.
- E. Identify rules for duplication between different entities.

Answer: A,B,D

Explanation:

Reference: <https://docs.microsoft.com/en-us/dynamics365/customer-insights/audience-insights/map-entities>

Question: 29

You are a Customer Data Platform Specialist. Your marketing team is in the process of mapping entities and attributes in the data unification process of audience insights. You are assisting them with completing this task.

Which two statements correctly describe how audience insights handles the mapping of semantic types for entity attributes? Each correct answer presents part of the solution. NOTE: Each correct selection is worth one point.

- A. Attributes that are automatically mapped to a semantic type cannot be remapped to a custom semantic type.
- B. Attributes must be mapped to the semantic type of ID in order to be used as a primary key for the entity.
- C. The 'Define the data in the unmapped fields' section shows attributes that are not automatically mapped to a semantic type.
- D. The 'Review mapped fields' section shows all attributes for which a semantic type is automatically identified.

Answer: A,D

Explanation:

Reference: <https://docs.microsoft.com/en-us/dynamics365/customer-insights/audience-insights/map-entities>

Question: 30

You are a Customer Data Platform Specialist. Your organization is using Power Query when connecting to Data Sources in audience insights. You need to load eCommerce Contacts to audience insights.

Which statement about loading data to audience insights using Power Query is correct?

- A. You must create a separate Power Query data source for each entity you wish to ingest.
- B. Power Query automatically recognizes header rows in files when you use the Text/CSV connector.
- C. After you save a Power Query data source, you have to manually trigger the initial refresh process.
- D. You can add additional entities to the data source using Get Data functionality in the Power Query.

Answer: D

Explanation:

Reference: <https://docs.microsoft.com/en-us/dynamics365/customer-insights/audience-insights/connect-power-query>

SAMPLE QUESTIONS

*These questions are for demo purpose only. **Full version** is up to date and contains actual questions and answers.*

Killexams.com is an online platform that offers a wide range of services related to certification exam preparation. The platform provides actual questions, exam dumps, and practice tests to help individuals prepare for various certification exams with confidence. Here are some key features and services offered by Killexams.com:

Actual Exam Questions: *Killexams.com provides actual exam questions that are experienced in test centers. These questions are updated regularly to ensure they are up-to-date and relevant to the latest exam syllabus. By studying these actual questions, candidates can familiarize themselves with the content and format of the real exam.*

Exam Dumps: *Killexams.com offers exam dumps in PDF format. These dumps contain a comprehensive collection of questions and answers that cover the exam topics. By using these dumps, candidates can enhance their knowledge and improve their chances of success in the certification exam.*

Practice Tests: *Killexams.com provides practice tests through their desktop VCE exam simulator and online test engine. These practice tests simulate the real exam environment and help candidates assess their readiness for the actual exam. The practice tests cover a wide range of questions and enable candidates to identify their strengths and weaknesses.*

Guaranteed Success: *Killexams.com offers a success guarantee with their exam dumps. They claim that by using their materials, candidates will pass their exams on the first attempt or they will refund the purchase price. This guarantee provides assurance and confidence to individuals preparing for certification exams.*

Updated Content: *Killexams.com regularly updates its question bank and exam dumps to ensure that they are current and reflect the latest changes in the exam syllabus. This helps candidates stay up-to-date with the exam content and increases their chances of success.*

Technical Support: *Killexams.com provides free 24x7 technical support to assist candidates with any queries or issues they may encounter while using their services. Their certified experts are available to provide guidance and help candidates throughout their exam preparation journey.*
